

The Royal St George's Society of Halifax

Welcome to this month's newsletter!

Message from the President

I am honoured to have been elected to the position, especially being a relatively new member of the society. As background to myself, my wife, Pamela Gray, and I arrived in Canada in August 1978 to stay three years, and we forgot to go back. We have been in Halifax since 1995. I am a physicist by profession, although I moved into the business world several years ago.

We have a new and enthusiastic Executive Committee. We have already had our first meeting and we are looking forward to continuing the good work of the previous members in growing the society and expanding its social program. I look forward to meeting all of you in due course. Feel free to contact me at any time, weekends included. my email is bpenny@ns.sympatico.ca, and my phone number is 425-7424.

Please be on the lookout for prospective new members, and refer any "candidates" to the Membership Secretary, Bev Woodward. Bev can be reached at bf.woodward@ns.sympatico.ca or by phone at 462-7193.

New Executive Committee

A new executive committee was appointed at the Society's Annual General Meeting held on 6th May 2008 at the Cambridge Military Library.

President:	Brian Penney
Vice President:	Mark Spindloe
Secretary:	Donna McNeil
Treasurer:	Vera Schwartz
Past President:	Basil Grogono June Spindloe

The position of Second Vice President was not filled at this time.

We'd like to thank last year's Executive Committee for all their hard work and hope you will continue to support us in our efforts to build on their efforts to improve the work of the Society within our community.

Members at Large

The new members on the executive Committee noticed that the position of "Member at Large" is not described in the bylaws. We also noted that the bylaws do provide for "Non Voting Honorary Members" to be elected to the Executive Committee. We are suggesting that those "Members at Large" who wish to participate in meetings of the Executive Committee, be it on a regular basis or on an occasional basis, be made Honorary Members.

Joan Stead has kindly agreed that we can use a few minutes of the Garden Party at her house on 21st June to hold a brief Special Meeting of the Society to elect Honorary Members. I don't think this will interrupt proceedings for more than a few minutes.

Accordingly, please take this as formal notice that there will be a Special Meeting of the Society on 21st June at 4 pm to be held at the home of Joan Stead at 26 Rockwood Avenue.

Forthcoming Events

Several social events are already well in advance with their planning and we hope you will support these and ensure their success. We are always looking for new ideas for social and fundraising activities so if there is something you would like to take part in let us know.
